

HAMMER DRILL BIT SDS PLUS IV QUATTRIC

HAMMER DRILL BIT SDS PLUS IV QUATTRIC

For the best performance in reinforced concrete

ADVANTAGES

- The one-piece cutting element made from solid carbide guarantees a low vibration run, for quiet drilling.
- The drill bit head with four cutting edges prevents jamming in the concrete reinforcement.
- The quadruple flute reliably transports the drilling dust from the drill hole, thus reducing wear.
- The distinctive centring tip allows for simple and high-precision drilling, for increased installation safety.
- The PGM®-compliant cutting element guarantees perfect-fit drill holes, to satisfy the highest safety requirements.

APPLICATIONS

To create approval-compliant drill holes in:

- Concrete
- Masonry

Also suitable for:

- Natural stone

FUNCTIONING

- Hammer drill bit providing 4 cutting edges and SDS-plus drive is perfect for high quality fixing solutions, even in hard stone and reinforced concrete.

HAMMER DRILL BIT SDS PLUS IV QUATTRIC

TECHNICAL DATA

Hammer drill bit SDS Plus IV Quattric

Type	Art.-No.	Drill hole diameter d_0 [mm]	Total length l [mm]	Working length [mm]
